For Everything Falcons Athletics

**[www.SevernaParkAthletics.org](http://www.SevernaParkAthletics.org)**

The Severna Park Athletic Department strives to challenge, inspire, and prepare every student-athlete for a successful post-secondary opportunity. Through sport, our coaches empower all students to think critically, communicate and solve problems effectively so our student-athletes become lifelong learners.

Currently, AACPS and MPSSAA are planning normal athletic start dates and operations. These dates are subject to change as government mandates are updated or adjusted from the current phase directives. Information on all changes will be posted on [SevernaParkAthletics.org](http://SevernaParkAthletics.org).
